IFCCI in association with Duff & Phelps, A Kroll Business organized a webinar on Foreign Exchange Management Act (FEMA) and valuation issues pertaining to it'' on Thursday, 11th November 2021

In the webinar, our speakers, Mr. Vinay Manchanda, Director, Valuation Advisory Services, Duff & Phelps, A Kroll Business and Mr. Aviral Jain, Managing Director, Valuation Advisory Services, Duff & Phelps, A Kroll Business discussed various topics with the participants.

Ranging from Evolution of FEMA valuation requirements in India, internationally accepted pricing, Methodology, Enterprise Valuation and its key drivers, Value split

amongst shares with differential rights. Furthermore, the discussion revolved around the Foreign Exchange Management Act and its functioning in Indian MNCs and outdoors.

They threw light on Applicable income tax regulations and other considerations in M&A transactions. Their Case study - Confluence with other regulations in India and ESOPs gave a realistic overview of the topic.

Mr. Manchanda and Mr. Jain through their presentation highlighted various methods to get into the right mindset and accurate analysis of the market for overseas trade and investment.

The webinar was attended by several CFOs, auditors, and tax experts of French and Indian companies. It was a very insightful and interactive session.

About Indo-French Chamber of Commerce & Industry (IFCCI)

Established in 1977, the Indo-French Chamber of Commerce belongs to a worldwide network of 120 French Chambers (CCIFI) in 90 countries with over 33,000 companies. One of the most active bilateral chambers in India, the Indo-French Chamber is a private association that promotes mutually beneficial trade relations between India & France and caters for its members' needs and interests. The Chamber has four offices in Mumbai, New Delhi, Chennai, Bangalore and two representations in Chandigarh and Pune. For more information, please visit <https://www.ifcci.org.in/>
