

Business France & Nord France Invest present:

INVESTOR'S DAY 2021

*a hybrid event to better understand why France is your best ally
for your European Strategy*

December 9, 2021
4 PM to 6 PM IST | 11.30 AM to 1.30 PM CET

Despite COVID-19 crisis, France is **more than ever the favorite destination to set up in Europe** especially after Brexit, keeping its leadership position in attracting the highest amount of FDI.

Through this webinar, Business France along with its partners Nord France Invest and la Team France Invest, would like to present you the **keys to a soft landing in France & the investment opportunities in the Hauts-de-France as a smart point of entry to UE.**
